"THE Rules and By-Laws in the Manual of The First Church of Christ, Scientist, Boston, originated not in solemn conclave as in ancient Sanhedrim. They were not arbitrary opinions nor dictatorial demands, such as one person might impose on another. They were impelled by a power not one's own, were written at different dates, and as the occasion required. They sprang from necessity, the logic of events, — from the immediate demand for them as a help that must be supplied to maintain the dignity and defence of our cause; hence their simple, scientific basis, and detail so requisite to demonstrate genuine Christian Science, which will do for the race what absolute doctrines destined for future generations might not accomplish." — *Extract from a Letter in "Miscellaneous Writings," by Mary Baker G. Eddy.*

# FORMATION OF THE CHURCH.

On the twenty-third day of September, 1892, at the request of our beloved Teacher, Rev. Mary Baker Eddy, twelve of her students and church members met and re-organized, under her jurisdiction, the Christian Science Church and named it, The First Church of Christ, Scientist. At this meeting twenty other of Mrs. Eddy's students and members of her Church were elected members of this Church; those with others that have since been elected are to be known as "First Members." The Church Tenets, Rules, and By-Laws, as prepared by Mrs. Eddy, were adopted.

The First Church of Christ, Scientist, in Boston, Mass., is designed to be built on the rock, Christ, which includes the understanding

and demonstration of Truth, Life, and Love, healing and saving the world from sin, and death. Thus to represent the Church Universal, and to reflect the Church Triumphant.

# CHURCH TENETS

OF

# THE FIRST CHURCH OF CHRIST, SCIENTIST.

To be signed by those uniting with The First Church of Christ, Scientist, in Boston, Mass.

1. As adherents of Truth, we take the Scriptures for our guide to eternal Life.

2. We acknowledge and adore one Supreme God. We acknowledge His Son, and the Holy Ghost, and man as the Divine image and likeness.

3. We acknowledge God's forgiveness of sin in the destruction of sin, and that sin and suffering are not eternal.

4. We acknowledge the atonement as the efficacy, and evidence of divine Love, of man's unity with God, and the great merits of the Way-shower.

5. We acknowledge the way of Salvation demonstrated by Jesus, to be the power of

Truth over all error, sin, sickness, and death; and the resurrection of human faith and understanding to seize the great possibilities and living energies of divine Life.

6. We solemnly promise to strive, watch, and pray for that Mind to be in us which was also in Christ Jesus, to love one another, and to be meek, merciful, just, and *pure*.

## ARTICLE III.

### SPECIAL MEETINGS.

SECTION 1. Special meetings of the First Members of this Church shall be called by the Clerk upon a request from our Pastor Emeritus, Rev. Mary Baker Eddy, or an order from three of the First Members who are in good standing with this Church. When the Clerk shall receive a request to call the First Members to convene in special meeting, he shall set the earliest possible hour when a quorum can assemble, unless it is otherwise stated in the request. For this purpose he is authorized to use the mail service, and also the telegraph and telephone wires if necessary.

## ARTICLE IV.

### FIRST MEMBERS.

SECTION 1. The First Members of the Church shall vote on admitting candidates, and attend to the transaction of any Church business that may properly come before the meeting. The names of the candidates for Church membership

shall be read at the semi-annual meeting and voted on.

SECT. 2. If the First Members shall become less than forty in number, they shall regain this number, and those elected shall be persons who have proven themselves, in successive years, strict adherents to the doctrines and practice inculcated in SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES. A majority of all the First Members elects a First Member.

The First Members so elected shall have the same power to act for this Church as the incumbents.

This Rule shall neither be amended nor repealed except by unanimous vote of the First Members.

SECT. 3. Important questions relative to Church members shall be discussed in the meetings of the First Members.

Seven First Members shall constitute a quorum for transacting the Church business.

## ARTICLE V.

of the First Members, it shall be the imperative duty of this official to read said communication at the place and time specified. If the Clerk fails to perform this important part of his office, he shall be complained of by a member of this Church, a special meeting shall be called for this purpose, and he shall be removed from office.

SECT. 6. If the Clerk of this Church shall receive a communication from the Pastor Emeritus that he does not fully understand, before presenting it to the Church, he shall inform said Pastor of this fact, and obtain a clear understanding of the matter and act in accordance therewith. Failing to adhere to this By-Law, the clerk must resign his office.

## ARTICLE VI.

### CHURCH MEMBERSHIP.

SECTION 1. To become a member of The First Church of Christ, Scientist, in Boston, Mass., the applicant must be a believer in the doctrines of Christian Science according to the

platform and teaching contained in the Christian Science text-book, SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES, by Rev. Mary Baker G. Eddy. The Bible, and the above-named book, with other works by the same author, must be his only text-books for self-instruction in Christian Science, and for teaching and practising metaphysical healing.

SECT. 2. Applicants for membership with the Mother Church who have studied Christian Science with Rev. Mary Baker Eddy, and who are loyal to its teachings, need no invitation or indorsement.

SECT. 3. Applicants for membership who have not studied Christian Science with Rev. Mary Baker Eddy, can unite with this Church only by invitation and recommendation from a student of Mrs. Eddy's, loyal to the teachings of our text-book, SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES, or from a loyal pupil of Mrs. Eddy's loyal student, as provided in Article VI., Sect. 5, of these By-Laws, unless it be an exception that the circumstances warrant.

All applications for membership must be addressed to the Clerk of the Church, who, at each semi-annual meeting, shall read the names of the candidates, and, if requested, may read their letters. The candidates shall be elected by a majority vote of the First Members present.

SECT. 4. Applications for membership, coming from the students' pupils, must include the names and recommendations of their teachers, as provided in Rules and directions relating thereto in this Manual.

One normal student cannot recommend the pupil of another normal student, so long as both are loyal to their Teacher, and to our Text-book.

SECT. 5. A loyal pupil of Mrs. Eddy's loyal student, who is a member of The First Church of Christ, Scientist, in Boston, Mass., may invite and recommend for membership with this Church, any who are known by him or her to be Christians, and faithful, loyal students of our text-book, SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES.

All such recommendations shall be countersigned by the pupil's teacher, a Director of this Church, or a First Member.

SECT. 6. Children who have arrived at the age of twelve years, who are invited by, or, whose application is countersigned by, one of Mrs. Eddy's loyal students, a First Member, or a Director, will be admitted to membership with the Mother Church.

SECT. 7. A member of The First Church of Christ, Scientist, in Boston, Mass., shall not be a member of any church whose Readers are not Christian Scientists and members of the Mother Church.

SECT. 8. Every member of The First Church of Christ, Scientist, shall pay a per capita tax annually of not less than one dollar. This is to be forwarded each year to the Church Treasurer.

SECT. 9. A member of the Mother Church is not entitled to hold office, teach, or read in other churches of this denomination except by invitation.

SECT. 10. This Church will receive a mem-

ber of another Church of Christ, Scientist, but not the member of a church of a different denomination, until that membership is dissolved.

## ARTICLE VII.

### ORGANIZATION OF CHURCHES BY STUDENTS' PUPILS.

SECTION 1. A member of this Church who obeys its Rules and By-Laws, and is a pupil of Mrs. Eddy's student, is eligible to form a church and to have church services conducted by reading the Scriptures and the Christian Science text-book. This member's church shall be acknowledged publicly as a church of Christ, Scientist, and its members shall be treated as brethren. Any deviation from this By-Law by a member of this Church shall render that member liable to have his name dropped from the Church.

## ARTICLE VIII.

### BRANCH CHURCHES.

SECTION 1. "The First Church of Christ, Scientist," is the legal title of the Mother Church.

SECT. 2. Branch churches of the Mother Church may take the title of First Church of Christ, Scientist; Second Church of Christ, Scientist; and so on, where more than one church is established in the same place; but the article "The" must not be used before titles of branch churches, nor written on applications for membership in naming such churches.

SECT. 3. The First Church of Christ, Scientist, in Boston, Mass., shall assume no official control of other churches of this denomination, and shall be officially controlled by no other church; and shall not change its present Tenets.

SECT. 4. Branch churches shall not write the Tenets of the Mother Church in their church books; but may place securely in such books a copy of the printed Tenets for members to subscribe to. The Tenets of the Mother Church are copyrighted in SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES.

SECT. 5. The Church Manual of The First Church of Christ, Scientist, in Boston, Mass.,

prepared by our Pastor Emeritus, the Rev. Mary Baker Eddy, and copyrighted, is adapted to the Mother Church only. It cannot be adopted, nor its Rules or By-Laws printed or published by branch Churches of Christ, Scientist.

Sect. 6. In its relation to other Christian Science churches, in its Rules, By-Laws, and self-government, the Mother Church stands alone. It occupies a position that no other church can fill; then for a branch church to assume such position, would be disastrous to Christian Science. Therefore, no Church of Christ, Scientist, shall be considered loyal that has branch churches, or adopts the Mother Church's form of government, except in such cases as are specially allowed and named in our Manual.

## ARTICLE IX.

### HOME AND FOREIGN MISSIONS.

Section 1. The Christian Science Board of Directors shall annually elect four experienced,

competent, Christian Scientists for missionary work.

Sect. 2. Whenever in their judgment the prosperity of our cause demands this, it shall be the duty of this Board to consult the Pastor Emeritus; and if found necessary, to immediately call a Church meeting and by unanimous vote appoint one of these missionaries to go wherever the case demands, and to do whatever is required of him, — be it to fill a vacancy, or to spread the gospel of Christian Science, or to correctly propagate this Science in whatever locality it is misrepresented, or unknown.

Sect. 3. While this student is performing missionary labor, he shall receive suitable wages for it, and the money thus appropriated shall be drawn from contributions to the Church, or the annual Church fund. Otherwise the Board of Directors may agree on a salary to be paid annually to each missionary.

## ARTICLE X.

### COMMITTEE ON FINANCE.

SECTION 1. Whereas, on March 20, 1895, the Christian Science Board of Directors, in behalf of The First Church of Christ, Scientist, Boston, Mass., presented to Rev. Mary Baker Eddy their church edifice as a Testimonial of this Church's love and gratitude; and she, with grateful acknowledgments thereof, declined to receive this munificent gift; she now understands the financial situation between the Christian Science Board of Directors and said Church to be as follows: —

The Christian Science Board of Directors own the church edifice, with the land whereon it stands, legally; and the church members own the aforesaid premises and building, beneficially. After the Church was built the balance of the building funds which remained in the hands of the Directors, rightfully belonged to the Church, and not solely to the Directors. Therefore, the balance of the church building funds which can be spared after the debts are paid,

should remain on safe deposit, to be hereafter used for the benefit of this Church, as the right occasion may call for it. The following indicates the proper management of the church funds:—

It shall be the duty of the Christian Science Board of Directors to report annually the amount of church funds on hand, the amount of its indebtedness, and of its expenditures for the last year. Any gift made of the church funds shall require a majority vote of the Christian Science Board of Directors, and a majority vote of the First Members of this Church. The books of the Christian Science Board of Directors and of the Church Treasurer shall be audited annually at the written request of the Church, through a committee on finance.

God requires wisdom, economy, and brotherly love to characterize all the proceedings of the members of the Mother Church, The First Church of Christ, Scientist, and I am glad to state, that the action of its honorable Board of

Directors has given good evidence of their obedience to this requirement. In case of any possible future deviation therefrom, it shall be the duty of the First Members of this Church to call a special meeting for the purpose of duly considering the questions relating thereto, and require the Committee on Finance to visit the Board of Directors, and, in a Christian spirit and manner, demand each one to comply with the vote of the First Members on this subject; if any member refuses thus to do, this member shall be dismissed from office and the vacancy supplied by the Board.

Said committee shall inform themselves annually as to the Church's financial matters, which are entrusted to the Board of Directors and to the Church Treasurer. If it be found that the church funds have not been properly managed, it shall be the duty of the First Members of the Church, to require the Board of Directors and the Treasurer to be individually responsible for the performance of their several offices satisfactorily, and for the proper dis-

tribution of the funds of which they are the custodians.

This By-Law is designed, not so much for this hour as for future years, and for the disobedient; even as the Ten Commandments stand for all time, and require all men to act righteously.

## ARTICLE XI.

### PUBLISHER OF THE TEXT-BOOK.

SECTION 1. A person who is not accepted by our Pastor Emeritus and the Christian Science Board of Directors, as suitable to publish the Christian Science text-book, shall in no manner be connected therewith, nor with the house whence it is issued.

No pictures coming from outsiders shall be exhibited in the room where the Christian Scientist text-book is published. No idle gossip, no slander, no mischief-making, no evil speaking, shall be allowed in this room or any other in the publishing house.

# CHURCH SERVICES.

## ARTICLE I.

### THE CHRISTIAN SCIENCE PASTOR.

SECTION 1. I, Mary Baker Eddy, ordain the BIBLE, and SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES, Pastor over the Mother Church, — The First Church of Christ, Scientist, in Boston, Mass., — so long as the Church is satisfied with this Pastor.

## ARTICLE II.

### READERS.

SECTION 1. The Christian Science Board of Directors shall appoint a male and a female reader, one to read the BIBLE, and one to read SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES. They shall not read from copies or manuscripts, but from the books. The Reader of SCIENCE AND HEALTH WITH KEY TO

THE SCRIPTURES, shall announce but once, during the lesson, the title of this book and name of its author. Before commencing to read from this book, the Reader shall distinctly name its full title and give the author's name; this is all that shall hereafter be required. The Directors shall select intelligible readers and exemplary Christians to read in Church. They must be members of this denomination. The readers must devote a suitable portion of their time to preparation for reading the Sunday lesson, — a lesson on which the prosperity of Christian Science largely depends. They must keep themselves unspotted from the world, — uncontaminated with evil, — that the mental atmosphere they exhale shall promote health and holiness, even that spiritual *animus* so universally needed.

SECT. 2. This Board shall inform the Pastor Emeritus of the names of their candidates for readers before they are elected, and if she objects to the election, said candidates shall not be chosen.

SECT. 3. It shall be the duty of the First Reader to conduct the principal part of the Sunday services, and the Friday evening meetings, and to personally examine the local candidates for admission to the Church.

SECT. 4. If a reader is found at any time inadequate or unworthy, a meeting shall be called and he or she shall be removed from office by a majority vote of the Christian Science Board of Directors, and the vacancy supplied.

SECT. 5. The First Reader may read, as a part of the church services, selections from the Scriptures, but no selections shall be read from SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES, other than those contained in the Lesson-Sermon; unless the author requests otherwise.

SECT. 6. Members of the Mother Church, who are, or may be appointed, Readers to conduct public services, shall make no remarks explanatory of the LESSON-SERMON at any time during the service; but they shall read all notices and remarks that may be printed in the CHRISTIAN SCIENCE QUARTERLY.

SECT. 7. The First Members of this Church shall fix the salary of the Readers.

## ARTICLE III.

### COMMUNION SERVICE.

SECTION 1. The Communion shall be observed by this Church on the first Sunday in January and July of each year by reading selections from the BIBLE, silent prayer, the Lord's Prayer with the Spiritual Interpretation from the text-book, reading the Church Tenets, reading a sermon appropriately selected from the BIBLE, and SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES, singing of hymns, singing, silent communion, reading the Scientific Statement of Being, and benediction.

## ARTICLE IV.

### READING IN PUBLIC.

SECTION 1. To pour into the ears of listeners the sacred revelations of Christian Science indiscriminately, or without characterizing their

origin, and thus distinguishing them from the writings of authors who think at random on this subject, is to lose some weight in the scale of right thinking. Therefore it is the duty of every member of this Church, when publicly reading or quoting from the books or poems of our Pastor Emeritus, to first announce the name of the author. Also the members of this Church shall instruct their students to adopt the aforenamed method, for the benefit of our cause.

## ARTICLE V.

### SEATING OF STRANGERS.

SECTION 1. Mother welcomes to her seats in the Church, people of whatever sect or denomination who come to listen to the Sunday sermon, and are not otherwise provided with seats.

## ARTICLE VI.

### VACATION.

SECTION 1. Vacation shall commence after the last Sunday in July, and the Church services shall be resumed the first Sunday in September.

# CHURCH RULES.

## ARTICLE I.

### DISCIPLINE.

SECTION 1. Neither animosity, nor mere personal attachment, should impel the motives or acts of the members of the Mother Church. In Science, Divine Love alone governs man; and a Christian Scientist reflects the sweet amenities of Love, in rebuking sin, true brotherliness, charitableness, and forgiveness. The members of this Church should daily watch and pray to be delivered from all evil, from prophesying, judging, condemning, counseling, influencing or being influenced, erroneously. The above Church Rule shall be read in Church, by the First Reader, on the first Sunday of each month, except on Communion day. On each Communion Sunday, the Church Tenets shall be read from the pulpit.

SECT. 2. It shall be the duty of every member of this Church to pray each day: "Thy Kingdom come;" let the reign of Truth and Love be established in me, rule me, and rule out of me all sin; and may Thy Word, in Christian Science, enrich the affections of all mankind, and govern them!

SECT. 3. If a member of this Church shall work against the accomplishment of what the Discoverer and Founder of Christian Science understands is advantageous to the individual, to this Church, and to the cause of Christian Science, or shall influence or counsel others thus to act, upon Mrs. Eddy's complaint, it shall be the duty of this Church to immediately call a meeting, and drop forever the name of this member from its records.

This rule cannot be changed, amended, or annulled, except by a unanimous vote of the First Members of this Church.

SECT. 4. A member of this Church who shall break, or has already broken, one of its Rules or By-Laws, or has caused another mem-

ber to do so, shall not hold an office in this Church. And if this offence is repeated, the name of this member shall be dropped from the Church record. This Rule cannot be amended or annulled except by a unanimous vote of the First Members of this Church.

SECT. 5. If a member of this Church is found violating any of the Rules or By-Laws herein set forth, he shall, unless otherwise provided in such Rules or By-Laws, be admonished in consonance with the Scriptural demand in Matthew 18 : 15, 16, 17; and if he neglect to accept such admonition, his name shall be dropped from the roll of membership.

SECT. 6. If a member shall depart from the Tenets, and be found having the name without the life of a Christian Scientist, his name shall be dropped from the list of membership by a two-thirds vote of the First Members.

SECT. 7. No member of this Church is allowed to enter a complaint against another member to the Pastor Emeritus. If one member shall aggrieve or vilify another member, the

latter's just redress, and the footsteps whereby to reform him, are pointed out in Article I., Sect. 5, of the Church Rules.

Sect. 8. If a member of this Church shall communicate to the Pastor Emeritus aught that is injurious to the character of one of its members, without her having requested this information, it shall be considered an offence which renders him liable to be excommunicated. If a member is committing some rank moral offence, and another member knows this, it shall be the duty of the latter, first, to tell that brother his fault and endeavor to reform him. Failing in this attempt, the dutiful member shall require the clerk to call a meeting, and he shall make his complaint to the First Members, and they shall also admonish the offender. Then if he persists in that whereof he has been rebuked, his name shall be stricken from this church membership.

Sect. 9. Any member who cannot or will not live in Christian fellowship with another member who is in good and regular standing with this

Church, shall either withdraw from Church membership, or shall be excommunicated. If any member feels it to be a Christian duty to complain to the Church of another member who does not live up to the above-named requirement, it shall be the duty of the First Members to enforce this Rule. This Rule shall neither be amended nor annulled except by a unanimous vote of the First Members of this Church.

SECT. 10. The First Members are not allowed to report what is said or done in a Church meeting, or the Board of Directors to report what has been said in conference with the Pastor Emeritus, on penalty of liability to have their names dropped from membership.

SECT. 11. No member of this Church is allowed to report to the Pastor Emeritus a case of discipline, or the cases of candidates for admission to this Church, or for dismission from it

SECT. 12. None but the First Reader, or the Directors, shall give advice on Church matters outside of the meetings. Any mem-

ber of this Church who disobeys this Rule shall be dropped from Church membership.

This Rule can neither be amended nor annulled, except by a unanimous vote of the First Members of this Church.

SECT. 13. In 1895 loyal Christian Scientists had given to the author of their text-book, the Founder of Christian Science, the individual endearing term of Mother. Therefore if a student of Christian Science shall apply this title, either to herself or to others, except as the term for kinship according to the flesh, it shall be regarded by the Church as an indication of disrespect for their Pastor Emeritus and unfitness to be a member of the Mother Church.

SECT. 14. No person shall be made a member of this Church, or remain a member, who claims a spiritually adopted child; or a spiritually adopted husband, or wife; except they have been legally adopted, or legally married, according to the laws of our land.

Any member of this Church who is found living with a child improperly, or claiming a

child not legally adopted, or claiming, or living with a husband, or a wife, to whom they have not been legally married, shall immediately be excommunicated, on the grounds of moral unfitness to be a teacher of Christian Science, or a member of this Church.

SECT. 15. No member of this Church shall use written formulas, or permit his patients or his students to use them as auxiliaries to teaching Christian Science, or for healing the sick. Whatever is requisite for either is contained in the books of the Discoverer and Founder of Christian Science; and no other authority is needed, and no other will be sought or used, by the loyal Christian Scientist.

If a member of this Church does not obey this Rule, or is a member of, or holds an office in, a church that does not comply strictly with this Rule, he shall be excommunicated from this Church.

SECT. 16. No hymns nor words composed by students of Christian Science that are not at this date, January 22, 1896, in the Christian

Science Hymnal, shall be sung in the Mother Church, The First Church of Christ, Scientist, in Boston. As a necessary barrier to inharmony in the Church this By-Law has become requisite.

Sect. 17. If a solo singer in The First Church of Christ, Scientist, Boston, shall either neglect or refuse to sing alone a hymn composed by our Leader and Pastor Emeritus as often as once each month, and oftener if the Board of Directors so direct, a meeting shall be called and the salary of this singer shall be stopped.

## ARTICLE II.

### PROBATIONARY PROVISIONS.

Section 1. Individuals who have heretofore been members of this Church, or were members of the Church of Christ, Scientist, organized in 1879 by Reverend Mary Baker Eddy, but have either voluntarily withdrawn, or were expelled therefrom, may be received into this Church on one year's probation, provided they are willing and anxious to live ac-

cording to its requirements, and make application for membership according to its By-Laws and Rules.

SECT. 2. If, at the expiration of said one year, they are found worthy, they shall be received into full membership, but if not worthy their applications shall be void.

SECT. 3. If an individual on probation or a member of this Church is found to be unworthy of this Church's membership, and another member in good standing shall, from Christian motives make this evident, a meeting of this Church shall be called and the name of that probationary member, or full member, of this Church, dropped from its list of membership. A full member, or a probationary member of this Church who has been excommunicated, and afterwards, when sufficient time has elapsed to thoroughly test his sincerity, gives due evidence of having genuinely repented and of being radically reformed, shall be eligible to probationary membership upon a unanimous vote of the First Members of this Church. If a mem-

ber of this Church has been twice notified of his excommunication, he shall not again be received as a member of this Church. This Rule cannot be amended or annulled except by a unanimous vote of the First Members of this Church.

SECT. 4. Any person desiring to unite with this Church who is unable, owing to unusual and justifiable circumstances, to furnish the recommendation of a loyal student of our Teacher, the Rev. Mary Baker Eddy, may, upon application, be received on probation for one year. At the expiration of that term, if this person has given satisfactory evidence to the First Members that he is worthy of membership, he shall be received into full fellowship.

## ARTICLE III.

### TEACHING CHRISTIAN SCIENCE.

SECTION 1. A member of the Mother Church who is professionally teaching or healing, but is disobeying the Church Rules, or the following By-Law of the Christian Scientist Association

of the Massachusetts Metaphysical College, shall be dropped from Church membership.

The By-Law referred to is found in the following Sections 2, 3, and 4.

SECT. 2. Christian Scientists who are letterly qualified and specially spiritually fitted for teachers can teach annually three classes. They shall teach from the Christian Science text-book. Each class shall consist of not over thirty-three students, carefully selected, and such only as have good past records, and promising proclivities toward Christian Science. The teacher shall hold himself morally obligated to promote the progress of his students, not only during the class term, but after it, and to watch well that they prove sound in sentiment, and practical in Christian Science.

The above clause regulating the number of classes to be taught annually in Christian Science, shall not apply to students living under foreign governments.

SECT. 3. Teaching Christian Science shall not be a question of money, but of morals

and religion, healing and uplifting the race. Teachers shall form Associations, and for the first three years convene as often as once in three months. Teachers shall not silently address the students' thought to handle it, nor allow their students thus to do, except the individual needing it asks for mental treatment. Teachers shall persistently and patiently strive to educate their students in conformity to the unerring wisdom and law of God, and shall enjoin them to habitually study the SCRIPTURES, and SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES.

SECT. 4. They shall teach their students how to defend themselves against mental malpractice, and never to return evil for evil, but to know the Truth that makes free and so be a law, not unto others, but to themselves.

SECT. 5. If a member of this Church is found trying to practise, or to teach Christian Science contrary to the statement thereof in its text-book, SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES, it shall be the duty of

this Church to admonish that member according to the Church Rule in Article I., Sect. 5; then if said member persists in misteaching and malpractice, his or her name shall be dropped from the Church record.

SECT. 6. A member of this Church who is a loyal Christian Scientist, shall take the entire charge of his students in Christian Science. He shall neither permit them to enter another student's class, or Association; nor shall he himself teach another's student in Christian Science, or join another's Association. If a member changes his field of labors he shall resign his office in the Church where he was located at that time. Failing to obey this By-Law, his name shall be dropped from this Church.

SECT. 7. A loyal member of this Church may teach and receive into his Association, the students of another member who has so strayed as justly to be deemed by the First Members not ready to lead his students as a reader in Church, or a teacher of Christian Science. Although repentant and forgiven by the Church,

and retaining his membership, this weak member shall not be counted loyal till after three years of exemplary character. Then the Church may decide whether his loyalty is proven by the uniform maintenance of the life of a consistent, consecrated Christian Scientist, sufficiently to teach others this doctrine.

# APPENDIX.

# INSTRUCTIONS TO APPLICANTS.

SECTION 1. Applicants for membership are required to subscribe to the Church Tenets and Rules as follows: —

*Do you subscribe to the foregoing Tenets and Rules?* .....

*Name* .....

*Street and Number* .....

*Town or City* .....

*State* .....

*Date* .....

SECT. 2. Applicants for membership with the Mother Church, who have studied Christian Science with Rev. Mary Baker Eddy, and who are loyal to its teachings, need no invitation or indorsement, and will use the first form of application.

SECT. 3. Applicants for membership who are pupils in Christian Science of Mrs. Eddy's loyal students, require simply the invitation and recommendation of their teacher, and will use the second form of application, without having it countersigned.

SECT. 4. Applicants for membership who have studied Christian Science with a pupil of one of Mrs. Eddy's loyal students, may receive invitation and recommendation from their teacher, provided that the application be countersigned by the pupil's teacher, a Director, or a First Member. They will use the second form of application.

SECT. 5. Applicants for membership who have not studied Christian Science with any teacher, may be invited and recommended by a Director, a First Member, or one of Mrs. Eddy's loyal students; or, according to Article VI., Sect. 5, of the Church By-Laws, may be invited and recommended by the loyal pupil of one of Mrs. Eddy's loyal students, provided that the application be countersigned by this pupil's

teacher, a Director, or a First Member. Such applicants will use the third form.

SECT. 6. All the names must be plainly written, and one, at least, of the given names written in full. Initials only of first names will not be received. If the applicant is a married woman she must prefix her signature with "Mrs." If unmarried, with "Miss." Also the *Christian name* of the married woman must be signed, not the husband's.

SECT. 7. If the applicant is a member of a branch church of the Mother Church, he should fill in the statement: "I am not a member of any church excepting ——— Church of Christ, Scientist, at ———." If not a member of a branch church, strike out with the pen the words "Excepting ——— Church of Christ, Scientist, at ———" leaving the statement "I am not a member of any church." See Article VI., Sect. 10, of Church By-Laws.

SECT. 8. Teachers must instruct the applicants whom they invite, which form is to be used, and be sure that they are correctly filled

as herein indicated, before they are sent to the Clerk of the Church. If not correct the teacher will be notified by the Clerk, and new applications required, as none will be returned which are not correct. This is to prevent applications being duplicated and the confusion that might result therefrom. To this end, the teachers must have the applications placed in their hands for examination after being signed by the applicant. The importance of these seemingly strict requirements will be understood when it is remembered that the names of the members of the Mother Church go down in history with the Church, and become a part thereof.

SECT. 9. Those desiring to unite with the Mother Church under the provisions of the Church Rules relating to probationary members, will be furnished blanks and instructions by applying to the Clerk of the Church.

Johnson of Boston, Massachusetts, Joseph S. Eastaman of Chelsea, Massachusetts, and Stephen A. Chase of Fall River, Massachusetts, the receipt whereof is hereby acknowledged, and, also in consideration of the trusts and uses hereinafter mentioned and established, do hereby give, bargain, sell, and convey to the said Ira O. Knapp, William B. Johnson, Joseph S. Eastaman, and Stephen A. Chase as trustees

as hereinafter provided and to their legitimate successors in office forever, a certain parcel of land situate on Falmouth street in said Boston, bounded and described as follows: Beginning at the junction of Falmouth street, and a forty-foot street now called Caledonia street; thence running Southwest on said Falmouth street one hundred and sixteen and eighty-eight hundredths feet; thence Northwest at a right angle to a point where a line drawn at right angles to said feet; thence Northwest at a right angle to a and sixteen and fifty-five hundredths feet Northwest from the point of beginning meets the said boundary at right angles to Falmouth street, sixty-six and seventy-eight hundredths feet; thence at an obtuse angle on said line at right angles to said forty-foot street sixty-seven and thirty-five hundredths feet to said forty-foot street; thence Southeasterly on said forty-foot street one hundred and sixteen and fifty-five hundredths feet to the point of beginning; containing seven thousand eight hundred and twenty-eight square feet more or less, and sub-

ject to the agreements and restrictions mentioned in a deed recorded in Suffolk Registry of Deeds Lib. 1719, Fol. 83 so far as the same are now legally operative.

This deed of conveyance is made upon the following express trusts and conditions which the said grantees by accepting this deed agree and covenant for themselves and their successors in office to fully perform and fulfil.

1. Said grantees shall be known as the "Christian Science Board of Directors," and shall constitute a perpetual body or corporation under and in accordance with section one, Chapter 39 of the Public Statutes of Massachusetts.* Whenever a vacancy occurs in said Board the remaining members shall within thirty days fill

* The deacons, church wardens, or other similar officers of churches or other religious societies, and the trustees of the Methodist Episcopal churches appointed according to the discipline and usages thereof, shall, if citizens of this commonwealth, be deemed bodies corporate for the purpose of taking and holding in succession all the grants and donations, whether of real or personal estate, made either to them and their successors, or to their respective churches, or to the poor of the churches.

the same by election; but no one shall be eligible to that office who is not in the opinion of the remaining members of the Board a firm and consistent believer in the doctrines of Christian Science as taught in a book entitled "Science and Health," by Mary Baker G. Eddy beginning with the seventy-first edition thereof.

2. Said Board shall within five years from the date hereof build or cause to be built upon said lot of land a suitable and convenient church edifice, the cost of which shall not be less than fifty thousand dollars.

3. When said church building is completed said Board shall elect a pastor, reader or speaker to fill the pulpit who shall be a genuine Christian Scientist; they shall maintain public worship in accordance with the doctrines of Christian Science in said church, and for this purpose they are fully empowered to make any and all necessary rules and regulations.

4. Said Board of Directors shall not suffer or allow any building to be erected upon said lot except a church building or edifice, nor shall

they allow said church building or any part thereof to be used for any other purpose than for the ordinary and usual uses of a church.

5. Said Board of Directors shall not allow or permit in said church building any preaching or other religious services which shall not be consonant and in strict harmony with the doctrines and practice of Christian Science as taught and explained by Mary Baker G. 6. The congregation which shall worship in said church shall be styled "The First Church of Christ, Scientist."

7. Said Directors shall not sell or mortgage the land hereby conveyed; but they shall see that all taxes and legal assessments on said property are promptly paid.

Christian Science only shall be preached and practised. If said church building is removed for either of the purposes above set forth, any and all tablets and inscriptions which are or shall be upon said church building at the time of removal shall be removed therefrom and placed upon the walls of the new edifice. If said building is burned, the Directors shall forthwith proceed to rebuild the church.

9. Said Directors shall maintain regular preaching, reading or speaking in said church on each Sabbath, and an omission to have and maintain such preaching, reading or speaking for one year in succession shall be deemed a breach of this condition.

10. Whenever said Directors shall determine that it is inexpedient to maintain preaching, reading or speaking in said church in accordance with the terms of this deed, they are authorized and required to reconvey forthwith said lot of land with the building thereon to Mary Baker G. Eddy, her heirs and assigns forever by a proper deed of conveyance.

11. The omission or neglect on the part of said Directors to strictly comply with any of the conditions herein contained shall constitute a breach thereof, and the title hereby conveyed shall revert to the grantor Mary Baker G. Eddy, her heirs and assigns forever, upon her entry upon said land and taking possession thereof for such breach,

To Have and to Hold the above granted premises with all the privileges and appurtenances thereon belonging to said grantees and their successors in office to the uses and trusts above described forever.

And the said grantor for herself and her heirs, executors and administrators covenants with the said grantees and their successors in office that she is lawfully seized in fee simple of the aforesaid premises, that they are free from all incumbrances not herein mentioned or referred to, that she has good right to sell and convey the same to the said grantees and their successors in office as aforesaid, and that she will and her heirs, executors, and adminstrators

shall, warrant and defend the same to the said grantees and their successors in office forever against the lawful claims and demands of all persons.

In witness whereof I the said Mary Baker G. Eddy have hereto set my hand and seal this 1st day of September, 1892.
